

“Infinity” Quick Fit Garage Pack for a 2 car shop or Garage.

For just \$349 (including shipping!) you can plumb your entire shop with “Push to Fit” 225 psi marine grade aluminum piping in just a few hours. The only tools you need are a pipe cutter and deburring tool. Add \$99 to include a tube cutter and deburring tool to your order.

Or Visit infinitypiping.com to view a full catalog and installation demo. For customized ordering e-mail sales@infinitypiping.com to request a brochure and price calculator.
